

GLOBAL DIVING & SALVAGE

Relocation – A Marine Salvage & Environmental Cleanup Facility

Location
Seattle, Washington

Services Provided
SeaCon represented Global Diving in their Port of Seattle relocation from Harbor Island. After successfully negotiating a favorable settlement, SeaCon assisted Global Diving's design consultants in generating a cost-effective solution, and ultimately acted as the general contractor for construction of their new facility.

Actual Work Performed
Relocation Consultant / Negotiation
Construction Manager / General Contractor

Owner
Tim Beaver
