

SAFWAY SCAFFOLDING

Relocation – A Storage Facility for Rental Scaffolding

Location
South Park
Seattle, Washington

Services Provided

SeaCon provided Safway Scaffolding with relocation negotiation services with the Port of Seattle. This role was ultimately expanded into heading up the design team and providing design-build services for a “Build to Suit Lease.” SeaCon also handled all billing and accounting services for both the Property Owner and Safway Scaffolding relative to the Port of Seattle.

Actual Work Performed

Relocation Consultant
Construction Manager / General Contractor

Owner
Fred Barber
